

12 YEAR INSTALLATION GUARANTEE

TERMS & EXCLUSIONS

Installation by QFI Roofline Ltd gives peace of mind your installation has been carried out in accordance with Manufacturers' procedures.

In respect of **Fascia, Soffit, Rainwater & Cladding**, the 12 year installation guarantee applies to defects appearing within the guarantee period which consist of **warping, splitting, cracking or discolouration**.

In respect of **Dry Verge**, the installation guarantee is limited to 2 years for defects which consist of **warping, splitting, cracking or discolouration**.

The guarantee **does not apply** to any of the following:

- **Fair wear and tear, normal aging and damage caused by external physical agents**
- **Fair wear and tear above includes wear to seals in rainwater accessories which may require replacement during the term of the guarantee**
 - **Malicious Damage**
- **Storm Damage, Exceptional weather, accidental damage or Force Majeure**

THE APPLICATION BY THE HOMEOWNER OF ANY COATING, PAINT OR OTHER SURFACE TREATMENT WILL VOID THE GUARANTEE

Force Majeure

Force Majeure shall mean “An event that is a result of the elements of nature” or Act of God.

Rainwater Systems

In order for the proper and effective working of the rain water systems, **it is essential that these are cleared on an annual basis (including unblocking downpipes).**
